RE: USDA Recipes for Schools

As of June 1, 2006, the new *USDA Recipes for Schools* will be available to all school districts. All Local Education Agencies (LEAs) may order the recipes by completing the order form found at our website www.ade.az.gov/health-safety/cnp/nslp/Memos/Memos05-06. Once the order form is completed email it to TN.Orders@fns.usda.gov. An example of the order form is attached to this memo. LEAs may order the recipes for their staff and schools, however copies will not be mailed to the individual schools. Orders will be filled in the order they are received once copies arrive from the printer.

The new recipe publication is made up of two sections: a hard-cover and wire-o-bound printed book as well as a CD-ROM containing the recipe files. The printed booklets will discuss how to use and adjust the recipes, include the nutrient information of each recipe and have reference charts helpful for foodservice operations. The CD-ROM includes the recipe files listed alphabetically by recipe name, number and category.

As noted in memo CN# 31-06, **Beginning July 1, 2006**, Local Education Agencies (LEAs) must only utilize the updated USDA recipes. Prior to June 1, 2006, the recipes will only be available online at www.nfsmi.org. If any school has been using the recipes online, please note that in March 2006, important changes were made to the following recipes:

C-01: Apple Cobbler
C-06: Cherry Cobbler
C-13: Peach Cobbler

D-35: Spaghetti and Meat Sauce
D-23A: Spaghetti and Meat Sauce (Ground Beef and Ground Pork)

Please ensure that each school using these recipes are utilizing the most current and up to date recipe available.
